Respectfully Submitted
Dave Tapper Secretary

Presidents Note

Well we had a pretty good year in 2006 and we are looking forward to even a better 2007. We have a list of modest improvements and maintenance items on the agenda and hopefully we can all pitch in to make them happen. I noted we sustained some damage to the roof of our tool shed due to the wind storms of late, but nothing that can't be fixed. We invite all to please attend our monthly meetings at the field trailer each 2nd Saturday of the month. The more input we get the better we can improve the club and facilities. Thanks to all who helped out last year and I look forward to a great flying season ahead.

Tony Gallo
