## Notes

We survived the storms just after the February meeting with no additional damage. Wind gust of 38 mph were recorded. We still need a work group to make repairs to the sun awning from the previous storm.

## Meeting Minutes

### ***General meeting Dec 13, 2008***

The meeting was called to order at 9:30am

The following officers were present

Tony Gallo - President  
Bill Lander - Treasurer  
Don Rogers –Secretary

The following members were present

Gene Kenner, Wade Akle, Paul Genshaw, Bob Van Der Walt, Bob Van't Riet

Tony opened the meeting at 9:30

- Burnt parts from model rockets were found on the runway and around the trailer. The use of model rockets at our field is forbidden. We also received a letter from Andrew Welburn stating that the Aero 101 class would not be using our site for their rocket launches. It is unknown who was flying the rockets.

- Several cigarette butts are being found in the pit area and parking area. Notice is to be posted on the web site that smoking is only allowed in your vehicle and all remains are to be kept in that vehicle.

-We discussed the need to try to recruit Cal Poly and Cuesta students for membership

-The club officers were voted in. We received 14 absentee ballots and in addition, all present voted to re-elect the current board.

-Bill Lander made the motion that we accept the proposed 2009 budget, keeping the dues at \$65 a year. Tony Gallo seconded the motion. It passed unanimously.

**Bill Lander gave the treasurers report as follows**

***General meeting Jan 10, 2009***

The meeting was called to order at 9:30am

The following officers were present

Tony Gallo - President  
Andy Brennan – Vice President  
Bill Lander - Treasurer  
Don Rogers –Secretary

The following members were present

Gene Kenner, Wade Akle, Paul Genshaw, Steve Johnson, Tony Linhares

Tony opened the meeting at 9:30

-Tony Linhares and Fred Jocober have made repairs and now have the tractor back in good working order. Thanks guys.

-The two issues with Rockets and Smoking was discussed again. While we were in the middle of this topic, a Greg Moberth showed up and then told us that he was the guy flying rockets. That part of the problem seems to be solved.

-We discussed when to close the flying over the vineyard. Work has started in one small area of the vineyard. The sign is not ready yet, so be cautious of the workers

-We set a date for our Fun Fly; it is May 23, the Saturday before Memorial Day. We need to get volunteers for organizing the event. We missed having one last year due to trailer work. Let's make this year's a fun event.

-Wade brought up the need for a work crew to repair the wind damage to the sun awning over the frequency board.

**General meeting Feb 14, 2009**

The meeting was called to order at 9:30am

The following officers were present

- Tony Gallo - President
- Andy Brennan – Vice President
- Bill Lander - Treasurer
- Don Rogers - Secretary

The following members were present

Gene Kenner, Wade Akle, Fred Jocober, Bob Van Der Walt, Tony Linhares

Tony opened the meeting at 9:30

- It was conformed that the date for the Fun Fly is May 23<sup>rd</sup>
- Paul Genshaw has moved to Phoenix Az.
- Bill Lander is still working on the 2009 budget. We have some new members and some have dropped out. There are some delinquent dues as of the meeting. Bill will send out second notices to those who are delinquent.

- Bill is going to change the combinations on the locks on Feb 28<sup>th</sup>. A notice will be mailed before that day to all current members, with the new combinations.

- The problem of unsafe flying has come up again. This included a high speed pass over the pits. There is a formal complaint form that should be filled out by any club member who witnesses such reckless flying. The violator is subject to the loss of the privilege to fly at our field. The complaint form will be available in the trailer, and on our web site. In addition, an overfly map will be posted on the web site.
