Slo Airport Day may be canceled due to construction at the airport. If Slo doesn't have the Airport Day, we will check with the Passo club to see if we can piggyback on theirs.

The lock combinations were changed today

We received a bid on repairing and painting the trailer in the amount of \$5000.00. This raised the question if we wanted to spend that amount. After a lively discussion, the options boiled down to the following

- Minimal Repairs
- Replace Trailer – Note below
- Continue to use trailer as is
- Full rebuild at \$5000
- Use enclosed awning over picnic tables for meetings

Andy Brennan moved that we have the guy who gave the \$5000 bid to meet with the committee to detail what will be done and what needs to be done.

Motion was passed

We still have some delinquent dues.

The hotline phone number was discussed. It has not been updated and should not be use for now. Contact a club officer if any issues come up.

Ron Burn announced that two previous, long time club members have passed away. Tom Bade and Peter Tevelly
