Discussion Items

1. Fun Fly
Last Saturday's fun fly was a success. Lots of good flying, good eats and camaraderie. Daryl donated the proceeds from the raffle back to the club.
2. Rick Johnson established the rules for the Santa Margarita Ranch Auxiliary Field (SMRAF). This completes the requirements established at last month's meeting.
 - A. All safety rules established by the AMA , SLO FLYERS INC. and SANTA MARGARITA RANCH are in effect and will be obeyed.
 - B. Launch all types of gliders into the prevailing wind.
 - C. Pilots will announce "LAUNCHING" in a loud, clear voice.
 - D. A spotter will be attentive to any full scale aircraft and warn pilots of possible conflict.
 - E. A docent must be present to gain access to the field. The docents are the only people with the gate combination. The docents must provide A fire extinguisher, shovels and a first aid kit for emergencies.
SMRAS DOCENTS,
Rick Johnston
Mike Wilson
Steve Willison
Mike Wilson
 - F. Pilots will meet docent at staging area prior to entry. Gate must be closed after entry.
 - g. Haul out all trash.
3. Remove any trash from our air field.

Meeting adjourned 9:30.
