

Meeting Minutes

General meeting Nov 13, 2010

The meeting was called to order at 9:00am

The following officers were present

Tony Gallo –President
Bill Lander - Treasurer
Don Rogers –Secretary

The following members were present

Daryl Riecki, Wade Akle, Paul Genshaw, Gene Kenner, Bob Van Der Walt, and just as we were adjourning, Less Stephenson arrived

Tony told about showing up at the field on Friday, Nov 5th to find a couple Cal Poly Students setting up a large rocket that they were going to fire as part of a Science expo for Templeton Middle School students. Tony was able to contact the Cuesta instructor and Cal Poly and stop the Rocket launch. However there was a bus load of kids that were going to show up any minute. Tony, Daryl Riecki, Fred Jacober, and Rick Johnson put together an impromptu presentation on model aircraft, including Glow aircraft, Gliders, and Helicopters. The students were very happy with the presentation as were the organizers of the day.

Aero 101 day will be Nov 19th. Cal Poly may be scheduling a day for heavy lift competition. No date as yet.

The Glider day has generated a lot of interest in gliders. There was some concern about the launch cables on the runway and powered planes taking off and landing. That doesn't seem to be causing a problem. There still needs to be some work coordinating the use of the field by both powered and gliders at the same time.

The Constitution change will be voted on at the Dec meeting. Bill Lander mailed out the proposed changes for the 30 day review.

This is the last day for nominations for officers for 2011. Tony made the motion to close the nominations, Bill Lander seconded the motion and it passed unanimously.

The following were nominated for officers for 2011. President, Tony Gallo, Vice President, Andy Brennan, Treasurer, Bill Lander, and Secretary, Daryl Riecki.

Bill Lander gave the treasures report

The meeting was adjourned at 9:35am

Submitted by Don Rogers, Secretary
