Mike Rittenhouse

Discussion Topics;

1. Cracks in the runway and pit area asphalt need repair prior to rain. Dave Nowell will head up a tar team.
2. The charging station is complete and working well but will require observation to determine if the battery and solar panel are keeping up with draw.
3. The club now has one gas trainer, an electric tow plane and glider along with two 2.4 radios. The glow trainer will be bound to the club radios and perhaps changed to electric power.
4. Two new safety officers have been appointed, Morgan Wilson and an as yet to be informed member.

Meeting adjourned 9:50

After Meeting Event;

A club swap meet was held with assorted stuff changing hands. Steve Wagner was the winner of the 50/50 drawing and donated his winnings back to the club. Lunch was provided and prepared by Dave Nowell. Ten guest were present and enjoyed the chili dogs and drinks.
