Mike Rittenhouse	

Federal Registration,

A show of hands showed most present were compliant with current FAA rules. All members are requested to complete the registration. A link to the registration application is on the club website.

Ranch gate,

SLO Flyers were reminded to close the ranch gate, even if they find it open. Various members expressed seeing Cal Poly students not closing the gate.

Website,

Steve Wagner requested more content for the website, such as, member projects, photos, videos, etc.

Dues,

Club membership renewal and dues are past due. If you intend to have access to the field in 2016, mail renewal info and a check to Tony Jacobson. The gate combination will be changed on or before March 15. Notification of the new combination will be by email, so make sure Tony has your correct email address. Also check to see if previous communication has passed your computer filters.

Fun fly,

How about a fun fly in May? No firm date, information or events have been established. Talk it up and make suggestions as to date and events.

Meeting adjourned at 10:30.
