DISCUSSION ITEMS

Runway Resurfacing. The latest resurfacing and repaint were a complete success.

Park Benches. The current resin chairs are in need of being replaced. A suggestion was made to use more substantial chairs for outside use, such as park benches made with powder coated steel and Trex as a better solution. Dave Nowell will look for a place to purchase new seating.

On-Site Security Camera. A suggestion was made to investigate some method of Creating an online feed to show conditions at the airfield. Tony Gallo said he would investigate.

Relocate Equipment Shed. Can the equipment shed be moved to improve flying areas? If so, would it be easier to rebuild the shed, or move the existing structure? Dave Nowell will investigate.

Glider Event. Rick Johnston has suggested SLO FLYER sponsor a glider event. Rick Needs to present a proposal to a club meeting so all members can be aware of club Money allocation and involvement.

Tony Gallo made a motion that the membership renewal process be completed by The first of January. The gate combination would also change on that date. Morgan Wilson seconded the motion. Tony Jacobson modified the motion adding that only new members will be able to use partial year membership. The motion, as amended, was unanimously passed. The club officers will modify the appropriate documents to Implement the motion.

FPV Flying Area. Steve Wagner suggested that the area to the North of the pits, where the helipad is, be expanded to accommodate an FPV race course. The club members present were receptive to the idea. All safety rules will apply and loud call-outs of flying Intensions are important. Steve said he would investigate FPV rules as developed by the AMA.

Meeting adjourned at 10:40
