Discussion Items

Cal Poly Design ,Build, Fly event

C.P. and San Jose State are having a contest on the 21st of April to see whose airplane can lift specified cargo around a course. Flyers are needed to judge the various segments of the event.

Maintenance Needed

Trailer needs leveling
Check runway for possible repairs

Meeting Adjourned

Mike Rittenhouse
Secretary

Post Script. April 29

The Cal Poly event has been held and was a total success, with lots of crashes, rebuilds, battery failure and more crashes. The overall winner has yet to be announced, due to the scramble to keep airplanes flying and resultant rule changes. Several FLYERS were present, to assist mostly with repairs and morale
