DISCUSSION,  
Safety.

Morgan is our new Safety Officer. It is everyone's responsibility to enforce safety rules. Several signs need to be replaced and a stencil made reminding pilots and observers to remain behind the barriers. No models will taxi in the pits. Barriers adjacent to the entry way will be moved to a 45 degree angle. Don't fly over the helipad. Mark is in charge of the signage and the stencil and application.

Daryl,

Daryl Riecki is moving to Arizona. We wish him well and to come on back any old time. Daryl has served in various officers positions for the club and has been a major player in all the club maintenance and fun flies. You'll be missed.

2021 Officers,

Tony Gallo - President  
Steve Willison - Treasurer  
Morgan Wilson - Safety  
Mike Rittenhouse - Secretary

Future Fun Fly

Mark and Woody are in charge of selecting a date and developing challenging events. And, a BBQ lunch.

Meeting adjourned 9:40.

Submitted,  
Mike Rittenhouse, Secretary
